BECOME A SUPPORTER

The San Bernardino Railroad Historical Society must rely on the generosity of friends and supporters to help us fulfill our mission - to keep 3751 operable and to preserve steam era railroad history so we can share it with our children, and the interested public.

Individuals and corporations can contribute to the SBRHS in a variety of ways, with volunteered time, needed services & goods, or cash. If there are any questions you have about how you or your business can support the SBRHS we encourage you to contact our Webmaster to discuss your individual needs. Also, we would like to suggest you consider the SBRHS in your estate planning.

The SBRHS is a qualified tax exempt organization, all donations are tax deductible under ruling 501(c)(3). All donations will be acknowledged with suitable documentation of your generous donation of any amount.

Donate an amount of your choice and to a specific project (i.e. Building Fund).
